

It is with a heavy heart I write this note. The Coronavirus continues to change daily and following the Government directive we will be closing Hemswell Antique Centres from Tuesday 24th March 2020. Both coffee shops were closed as per the ban on Friday afternoon.

Unfortunately, as a business we have no option to close and it is our responsibility to be part of the national solution to stop the spread of this horrendous virus.

We are obviously all being guided by the Government onto how long we close for but are assuming this will be between 8-12 weeks. Please be assured we will keep in regular touch with you as soon as we all have a clearer picture.

Our online business www.hemswell-antiques.com will continue to operate as usual and members of the web team will work remotely assisting with enquiries, sales and deliveries.

This is not a decision we are taking lightly, but one made with the well-being and safety of our employees in mind as well as in the best interests of our customers. We must work together in this difficult time and to enable us to bring this under control.

Thank you to all our brilliant employees for their hard work during this incredibly challenging time. On behalf of all our staff, I would like to thank you all for your tremendous support during this challenging time, stay safe and well and we hope to see you very soon.

Best Wishes
